Introduction

PROBLEMS!!🤔

1. Time consuming process for job seekers
2. Repetitive steps again and again

MOTIVATIONS

For new job seekers, there is an opportunity in the Salesforce domain, and every time my routine was fixed to apply for the job, I was irritative about doing the same thing again and again.

HOW IT'S USEFUL🤔

- ✓ job Seekers!!

SALESFORCE TOOLS

1. Lightning Web Component
2. Apex Class
3. Batchable Class
4. Community Cloud

AREAS OF GROWTH

- Integrate Salesforce with LinkedIn
- Used AI in Salesforce
- Used schedulable class

THANK YOU
